

# EASTER LIES

---

We are born into this world, we grow up doing the things we saw our parents doing, and our parents learned to do these things from their parents - and so on, and so on.

Do you ever ask yourself where many of these practices originated from?

***Aristotle was a very famous Greek philosopher with many credentials. Back in about 350 BC, Aristotle, the great Greek philosopher, stated that “the spider has six legs”. No human doubted what this great man of philosophy said, so, for the following centuries people went along with his statement. Then, out of nowhere a common man by the name of James Lamarck arose on the scene. He was very curious about the details of insects, and in particular, the common spider, or “daddy long legs,’ as some would call it. Lamarck decided to count the legs on the spider, and guess what he***

***found? There were eight legs! He discovered it, because he took the time and troubles to check it out for himself. For hundreds of years, millions of people had been misled because of the fame and trust of one man. For thousands of years, Aristotle was wrong, and yet not one person had the where-with all to actually pick up a spider, look at it closely, and confirm that it had eight legs.***

Today you and I know spiders do not have six legs like every other insect; rather they have eight legs (Very unusual for an insect). Likewise many people believe in things their parents, pastors, teachers and peers say, without checking out if they are true. A lot of people do not want to know what Truth is; they just want to live life as they see it. They miss out on the very essence of life- which is to learn and live a life of Truth.

Why do people celebrate Easter?

They say it is to celebrate the death and resurrection of 'Jesus Christ'. Is this really true? Easter was initially celebrated by pagans long before the birth and death of Jesus Christ.

History tells us that modern Easter celebration was instituted by the Pagan Roman Empire and the council of Nicaea, in order to merge Christianity and Paganism.

This document will take you through historical facts and help you see the true origin of Easter and how it is linked to the mark of the beast! Please do not stop reading now, go through to the end and do more research before you make your final decisions.

We pray that our heavenly Father will help us:

***"That He opens our eye to see the deception and Lies surrounding us in today's world. We pray that His Spirit of Truth be implanted in our hearts, so we may see and learn and put to practice all of His Laws.***

***May He bless us, and keep us safe, May he give us our daily bread and deliver us from all evil. And most importantly, that he imbues us with the character necessary for fellowshiping with the Heavenly beings through all eternity... This we ask and pray through our Heavenly Saviors name. AMEN!***

Does the Savior care If, When, How, Why and Where we celebrate Easter? Is it His design that we celebrate this feast- which has so long been linked with paganism? Is Easter truly a commemoration of the Saviors death and resurrection?

## WHY YOU MUST BE CONCERNED!

The greatest question any man should ask is: what is the duty of man here on earth? Why are we here? And what is the duty of man to His Creator while he spends his fleeting life here on earth?

**Fear of the Creator and obedience to His laws is the essential duty of all mankind (Ecclesiastics 12 vs 13).**

The highest power, fame, riches etc. - are nothing before the Creator. All He wants from us is for us to do His will. And His will is summed up in His laws. Many churches today promote activities which YAHUWAH (YAHUWAH is the Hebrew name of

'Elohim' the Eternal Father) the Creator has not sanctioned, while purposefully neglecting the ones He has expressly asked us to obey.

When the Savior was on earth He said:

**"They worship me in vain; their teachings are merely human rules. You have let go of the commands of [Elohim] and are holding on to human traditions." (Mark 7 vs 7-8 NIV).**

Easter day celebration is a time for merriment and feasting, majority of the members of orthodox, protestant and charismatic churches will be led by their mother church (Catholicism) in the observance of this feast - the celebration of **EASTER**, which many claim and believe is the celebration of the Death and Resurrection of the Savior.

Is Easter Celebration one of such vain teachings and practice instituted by men?

Does the Creator of the universe approve of Easter celebration?

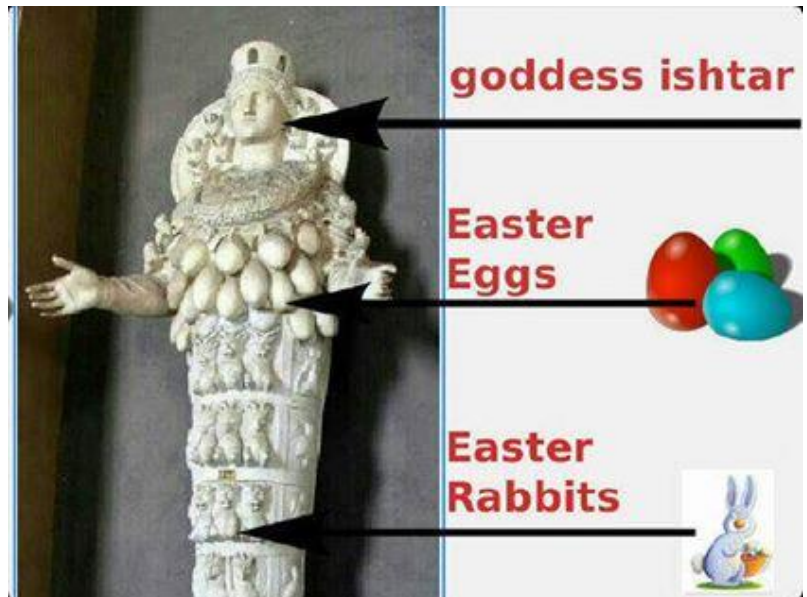

Where and how did Easter celebration begin?

## THE BEGINNING - EASTER FROM PAGAN ROOTS

Easter celebration has long been linked with pagan worship. Long before 'Jesus' was born, a lot of cultures and traditions have been celebrating Easter under different names and themes.

Historians today see all of the features of Easter celebration practiced by people and churches today: as they were practiced in ancient pagan Easter worship.

The name Easter (#EASTER) is etymologically derived from two different sources.

One is from **Ishtar**. - As was called by the Assyrians long before the birth of Christ.

The other is from Northern Europe- **Eostre** (a.k.a. **Eastre**).

In both cases - **ISHTAR** and **EOSTRE** were very important goddesses to the erstwhile pagan worshippers. She, (ISHTAR or EOSTRE) was regarded as the 'great mother goddess'. Or as the bible called her in the book of Jeremiah: 'the queen of heaven'.

### SO WHO IS 'ISHTAR', 'EOSTRE' - 'EASTER'?

For us to truly know who, or what Easter is, we must go back in time to the period just after Noah and the flood.

You remember the entire world was so wicked and in the worship of Idols that the Creator had to reset the world with flood during the time of Noah.

But after the flood, Humans were still so adamant that they returned back to Idol worship. And the first Idol worshipper after the flood was '**Nimrod**'.

'Nimrod' gathered all the people of the earth of that time and told them to build a tower that will ascend into Heaven, just in-case the Creator decided to destroy the Earth again with water.

**Tower of Babel view**

The people agreed, and led by Nimrod they decided to go ahead with the task of building the **'Tower of Babel'**.

Cut long story short - The Creator out of love and mercy didn't destroy them, but decided to change and confound their language (tongues) so they would not all destroy themselves in the aim of trying to destroy the Creator.

But each of these people, with their varying languages, carried the practice of their idol worship to the different parts of the earth to which they were spread. They venerated NIMROD as the one true god, who after he died reincarnated as the sun - Hence the beginning of "worship of the Sun".

All through civilization is spread one common pattern of paganism - the worship of Nimrod in the form of the Sun. **See - (Gen 10 vs 9-11 and Gen 11 vs 1-9.)**

The question now remains - Where does 'Ishtar' or 'Easter' comes into this pagan mix?

**Easter- Ishtar- or Semiramis as she was known then, was the Wife of Nimrod.**

*QUICK FACT- Remember that it was Nimrod who started the building of Babylon as a city and that, 'Babel' or 'Babylon' simply means confusion.*

## **EASTER A PAGAN GODDESS**

Semiramis ('Ishtar' or 'Easter') was the wife of Nimrod (Nimrod was, and still is worshipped as the sun-god by many religions today).

Semiramis, was after the death of her husband worshipped as a goddess of fertility and in the Bible she was referred to as the pagan: 'queen of heaven'.

Various cultures around the world call her by various names - some of them are;

- Aphrodite from ancient Cyprus
- Ashtoreth from ancient Israel
- Astarte from ancient Greece
- Demeter from Mycenae
- Hathor or Isis from ancient Egypt
- Ishtar from Assyria
- Kali, from India
- Ostara, Oestre, Eostre, Eastre from Norse/Germanic origin
- Ix Chal from Aztec and Mayan origin

These are some of the ways in which this goddess is referred to in various cultures.

## EASTER- THE PAGAN 'QUEEN OF HEAVEN'

Semiramis a.k.a ('Eostre' or 'Easter') was referred to as 'The Queen of Heaven, ---but why?

Let's quickly delve into the bible and see why and how Jeremiah makes mention of Easter. See (**Jeremiah 7 vs 17-18.**)

***"Do you not see what they do in the cities of Judah and in the streets of Jerusalem? The children gather wood, the fathers kindle the fire, and the women knead their dough, to make cakes for the queen of heaven; and they pour out drink offerings to other gods, that they may provoke Me to anger."***

**(Jeremiah 7:17-18, NKJV)**

Hot cross Buns

The point here, is the fact that the people of Israel were practicing Idolatry by making cakes to the 'Queen of Heaven, and this was long before the Savior was born.

Today, the people who celebrate Easter in the name of celebrating the resurrection of Christ also practice the making of cakes to the Queen of Heaven.

As a common practice of Easter, people bake cakes -- called; '**Hot cross buns.**'

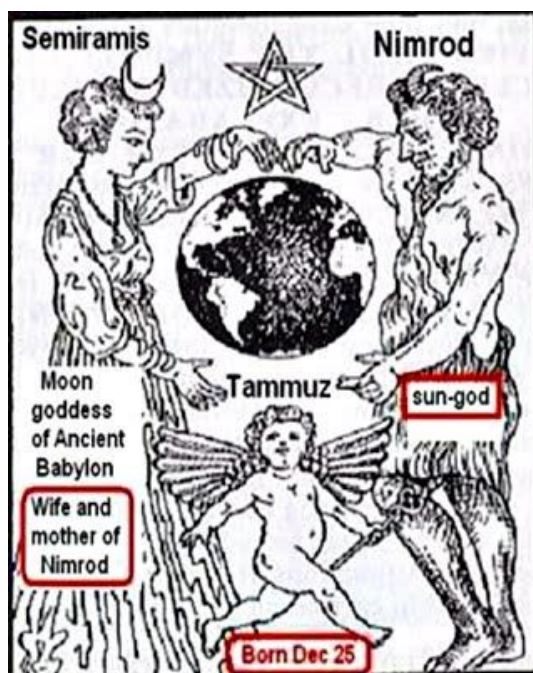

## EASTER PRACTICES

We have seen the example of the baking of cakes (Hot cross buns) during Easter period as they refer to pagan worship of Ishtar or Ashtoreth as she was known during the time of prophet Jeremiah.

Other practices were also carried out during this period of celebrating this pagan feast. See Ezekiel: 8 vs 13-14. Part of the celebration of Easter in earlier times involves a weeping period.

**"And He said to me, 'Turn again, and you will see greater abominations that they are doing.' So He brought me to the door of the north gate of . . . [Yahuwah's] house; and to my dismay, women were sitting there weeping for Tammuz (THE SON OF 'THE QUEEN OF HEAVEN')."**

(Ezekiel 8:13-14, NKJV)

Weeping for Tammuz (Lent) was an indispensable preliminary to the great annual festival in commemoration of the death and resurrection of Tammuz, - which was celebrated by alternate weeping and rejoicing.

So the 40 days of lent is connected with the Babylonian goddess Ashtoreth/Astarte/Ishtar and worship of the god Tammuz.

**QUICK NOTE..** - **TAMMUZ** is the son of **ISHTAR/Easter**, and is venerated also as a god of **rebirth, vegetation and regeneration.**

*Tammuz's birthday is usually celebrated every December 25th. Ancient paganism believes, Tammuz is a reincarnation of Nimrod, the one true Sun god. So you see that Christmas day is another pagan feast that has crept into mainstream Christianity as it is originally supposed to celebrate Tammuz's (son of Nimrod and Semiramis) birthday. Sun worship has its benchmark in all three of these acclaimed gods, (Sun-day worship, Easter Celebration and Christmas Celebration) all from pagan roots.*

## MORE EASTER PRACTICES

Apart from the baking of cakes and the forty (40) days of weeping for TAMMUZ as stated in **Jer: 7 vs 17-18 and Ezekiel : 8 vs 13-14**, there also exist many other practices associated with Easter celebration, which can be directly linked to worship of the pagan goddess- Ishtar or Ashtoreth/Astarte/Eostre/Eastre.

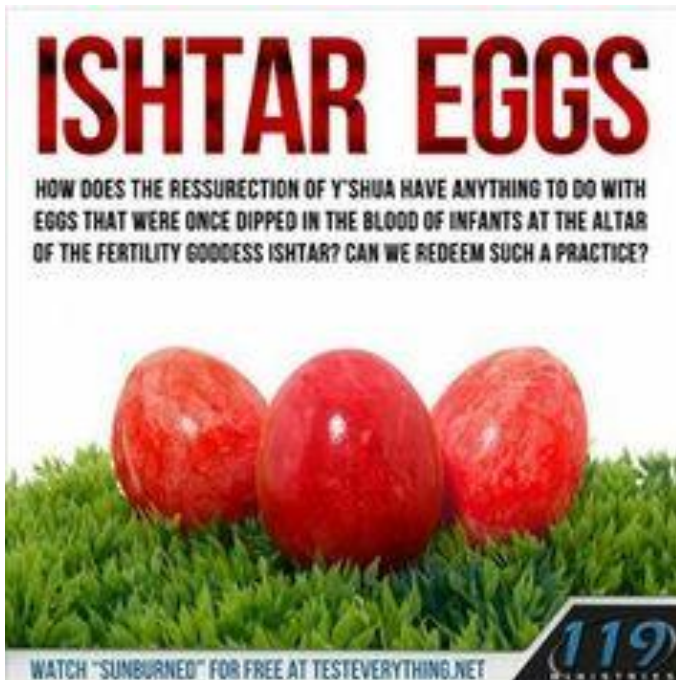

### **Ever heard of the Easter eggs?**

The mystery religions (paganism) teach that Semiramis (Ishtar) was herself immaculately

conceived and was lowered from the heavens to the earth in a giant egg. This egg came to rest in the waters of the Euphrates River. Eggs are also symbols of fertility, and as Semiramis (Ishtar) was also a fertility goddess the symbol of the egg became thoroughly associated with her worship.

Those who knew Semiramis under the name of Ishtar spoke of Ishtar's egg, from which we get our current Easter egg.

In modern Easter celebration, these eggs are painted in brilliant and beautiful colors, but very few know their true meaning and Origin.

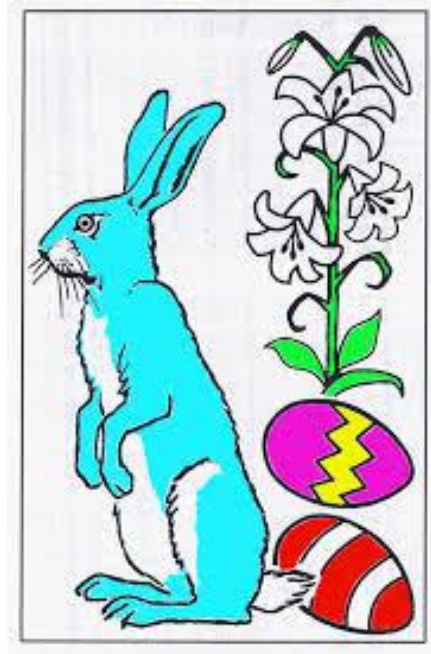

## MORE ISHTAR/EASTER SYMBOLISM

Ishtar or Eostre or Ashtarte or whatever name you address her with, was a pagan goddess of fertility and springtime. Her earthly symbol was the rabbit. Rabbits, being very fertile, were often used in early Christian art as a sign of fertility and new life.

There is also the symbolism of rising early on Sunday to start the Easter day celebration, which was usually in honor of the Sun god (Nimrod/Tammuz) - there is little or no cause for refutation. Easter generally, in many of its practices is intertwined with paganism and Sun worship.

**“Even the very act of celebrating this day have been maligned and turned into a day of unholy feasting, self-aggrandizement, gluttony, drunkenness and revelry. Where is the Creators plan and design in all of these?”**

What does the Creator wish us to do, as a mark of celebrating the death and resurrection of His Son (YAHUSHUWAH)?

There are two important ceremonies the Creator of the Universe and His Son our Redeemer wish that we celebrate in commemoration of His Death and Resurrection.

1. *Passover*
2. *The Last Supper*

We will talk about these ordinances as we progress.

## CALENDAR WAR – CHRISTIANITY & EASTER

[The **First Council of Nicaea** was a council of Christian bishops convened in Nicaea in Bithynia by the Roman Emperor Constantine I in AD 325. This first ecumenical council was the first effort to attain consensus in the church through an assembly representing all of Christendom.<sup>[5]</sup> It was presided by Hosius of Corduba, a bishop from the West and probably a Papal delegate.

Its main accomplishments were settlement of the Christological issue of the **nature of the Son of God** and his relationship to God the Father,<sup>[5]</sup> the construction of the first part of the Creed of Nicaea, **establishing uniform observance of the date of Easter**,<sup>[6]</sup> and promulgation of early canon law.] - **From Wikipedia, the free online encyclopedia.**

Council of Nicaea delegates

Easter celebration like Christmas and the Veneration of Mary is one of the numerous pagan traditions introduced by the Roman Catholic into main stream Christianity.

**According to the Roman Catholic Catechism:**

*"Easter is not simply one feast among others, but the "Feast of feasts," the "Solemnity of solemnities," just as the Eucharist is the "Sacrament of sacraments" (the Great Sacrament). St. Athanasius calls Easter "the Great Sunday" and the Eastern Churches call Holy Week "the Great Week." The mystery of the Resurrection, in which Christ crushed death... "(Catechism of the Catholic Church, Part 2, Sec. 1, Chapter 2, Article 1, #1169)*

The Easter celebration practiced around the world today is only possible because of a change in the type of calendar used (Jewish- Julian- Gregorian). In this write-up, we will not dwell so much in this change in calendar, but it must be clearly understood, that modern day Easter celebration is only now possible because a council of Roman

bishops under the auspices of the Roman emperor 'Constantine' made this change, which you will see from a statement made from the Emperor Constantine himself in proceeding section.

Also note that, one of the major reasons for this change was to establish a Uniform observance of the date for Easter.

## THE PASSOVER OR EASTER?

Before the change of calendar by the Council of Nicaea - fomented by the Roman emperor 'Constantine', the Passover was the feast celebrated by the early Christians before their compromise with Emperor Constantine and paganism.

The Savior died on the evening before the Sabbath day! He rested in the grave on the Sabbath-day and rose up the day after, which is the First day of the week; but, because of the change in calendar, it is almost impossible to place the actual date of the True Sabbath (When the Savior rested on the grave) or the Day He resurrected, which is the First day of the week; except we go back to following time and date as stated in **Gen: 1 vs 14 (Using the sun, moon and stars as rule for determining time and calendar [LUNI-SOLAR CALENDAR])**, and as was being followed by early Judaism. (This is another topic in itself, to be treated another day).

All who worship on Sunday in honor of "Easter Sunday" as the day of the Savior's resurrection are honoring a Roman Catholic institution which itself is based upon ancient pagan fertility celebrations.

The truth is; Easter is a fraud. It is not the day upon which the Savior arose from the grave nor is Saturday the seventh-day Sabbath of the Bible. Easter is, and has always been a pagan holiday celebrating fertility. It was substituted for Yahuwah's Passover at the Council of Nicæa in the fourth century when the Church of Rome decided to set aside Hebrew calculation of time.

Do you know that the great Scientist Isaac Newton was very interested in Bible prophecy and time calculations? When he tried to calculate the date of the Savior's death and the date of his resurrection (Supposedly Easter), there remained inconsistencies because his calculations were based on the Julian and Gregorian calendar instead of the true biblical Luni-Solar calendar.

## THE TRUTH

One of the few feasts ordained by the Creator in commemoration of salvation, was the feast of Passover - as found in the book of **(Lev: 23 vs 4-5)** and as directed in **(Exo 12)**. This was how the Early Christians celebrated Redemption.

Also, the Savior expressly commanded that we celebrate the **Last Supper** in remembrance of Him. These were the feasts celebrated by the Disciples and followers of the Savior before the change in calendar and introduction of Easter celebration by the Roman dictator - Emperor Constantine, through the Council of Nicaea.

**"[Emperor Constantine stated], 'For it is unbecoming beyond measure that on this holiest of festivals (Pagan Easter) we should follow the customs of the Jews. Henceforward let us have nothing in common with this odious people; our Savior (Tammuz) has shown us another path. It would indeed be absurd if the Jews were able to boast that we are not in a position to celebrate the Passover without the aid of their rules ([time] calculations).'"**

**(Heinrich Graetz, *History of the Jews*, The Jewish Publication Society of America, Vol. II, pp. 563-564, emphasis supplied –as appears in world last chance website.)**

**Nowhere** in the bible is there a passage in support of Easter, Christmas, Sunday or Sun worship; which are all Institutions or traditions of men. Easter is a counterfeit celebration of pagan origin which is used to replace the feast of Passover. Easter also makes it look like the Savior resurrected on Sunday. The Bible says the Savior resurrected on the first day of the week, not Sunday!

Since the change in calendar from using the Sun and Moon (Luni-Solar) for calculating time as was specified in **Gen 1:14** to a man-made calendar that only uses the Sun

(Gregorian), people have come to think that the first day of the week is Sunday. But this is not true. And that is why, it is impossible for Easter to have a fixed date!

According to the bible, the Savior died on the day of Passover, which is Nissan 14<sup>th</sup>.

Using the Calendar which the Bible specified, it is easy to know exactly the day the Savior died, the day he resurrected and the date for the Passover. But more importantly, it helps us to locate the true Sabbath day! Which is the day in-between the Savior's death and his resurrection.

There remain so many more answers to be found, but with all certainty, and without any doubt, we can find every truth we need when we search the scriptures.

DO YOU KNOW: Moslem's have a similar problem of locating their feast date on the Gregorian calendar, since they use only the moon for calculating dates for their feast. It is a common occurrence to hear that the Moslems won't end their fast until a particular period when they can see the moon.

## HOW AM I AFFECTED BY EASTER CELEBRATION?

Businesses today promote Holiday seasons, mainly because they want to make profit, they want you and I to spend money on this, and every other paganized holiday season that has crept into the world through the apostate church. The question is - **What does the Creator want me to do?**

**And when does he wish that I do it?**

Many people do not truly understand the significance of all this. You will ask; how does all of this affect me? You can say: I am not a Catholic; neither do I celebrate Easter or believe in these pagan gods - so why should I be concerned about this?

Everyone on earth should, and must be concerned about this - because, the change in calendar and the bringing in of abominable celebrations into worship of the **Creator of 'Heaven, Earth and of Mankind'** is a direct rebellion against YAHUWAH. And all of this is orchestrated by the great deceiver **Lucifer!**

It is Lucifer - the Devil, who wishes that all humanity be steeped in ignorance, that all humans be nonchalant to the worship of their Creator. That we Humans debase ourselves lower and lower with every abominable and lewd celebration he can construct.

There is a great battle going on, and those who are not prepared will be swept away by the tides of paganism which have become norms in today's world. The feast of Passover has great significance and helps us in our Christian experience to understand the redemptive love and power of heaven through the sanctuary service. We cannot fully comprehend the fullness of our Savior's death except we see it through the eyes of the Passover feast.

Satan doesn't want people to know about the connections of the Sanctuary service, the Feast of Passover, the Feast of Tabernacles and most importantly the true day of the Sabbath. Satan has quietly replaced these feast days and events which our Heavenly Father has ordained with pagan ones, and the whole world has wondered after the beast and his image (**Rev 13:3**).

Easter celebration, Christmas day celebration and worshiping on a day dedicated to the sun-god (Sunday) are what the Anti-Christ will use as stepping stones in making the whole world receive the Mark of the Beast!

## THE MARK OF THE BEAST (666)

The change in calendar, the inclusion of abominable feasts such as Easter and Christmas will lead to the set-up of the Anti-Christ and the implementation of the Mark of the Beast.

Every true follower of the Creator must now begin to study the words of the Savior, so that they will know for themselves what Truth is and

choose for themselves what is right. Waiting for your pastor or church to help you make decisions will cost you your own eternal destiny. Easter celebration is no mere happenstance; it was purposefully grafted into worship of the Creator, in order to cause you and I to forget our 'One true' loving Savior and Redeemer (YAHUWSHUWAH). And whose true story of Redemption for fallen humanity can only be appreciated by celebrating the Passover and the Last Supper.

We must learn what the mark of the Beast is. Are not the whole world now wondering after this institution (Rev 13:3), whose sole aim is to set it's throne above that of the Creator. Thinking to change times and laws. See - **Daniel: 7 vs 25**.

This '**Anti-Christ**' can only think to change **Times and Laws** such as the Calendar and the true day of Sabbath, but what YAHUWAH our Creator has ordained, can never be moved forever. His words and His kingdom will last for all eternity.

**AMEN!!**

**QUICK FACT:** The great controversy of the bible is about worship, worship of the Creator or worship of Lucifer as the sun-god. The gods mentioned in the old testament like Baal, Dagon, Shamash, Molech etc. can mostly be linked as originating from the worship of Nimrod as the sun-god, and this is the same issue which will lead to whether you worship the beast and receive its mark at the end of time.

## CONCLUSION - WHAT CAN I DO TO BE SAVED!

So many errors, so many lies, so many deceptions, the Devil is working unimaginably hard to lead the entire Universe into perdition. Should you and I stand aloof in nonchalance?

**Note-** There is only two sides to this controversy:

1. Those that will stand for Truth and exposé every error with the express and plain words of the bible, these are they who keep the commandment of Elohiym and have the testimony of YaHuShuWaH (**Rev 14:12 & Rev 12:17**). At the end; these will receive a seal of Elohiym on their foreheads a seal whose mark will be the true Sabbath.

2. Those that will join in rebellion with Lucifer and seek to overthrow the law of the Creator by joining in building a modern day tower of Babel (Babylon). These people will be as described in (**Rev 21:8**). They will also receive a mark on their hands or on their foreheads; this will be the mark of the beast (**Rev 13:16-18, & Rev 14:9-11**).

The warning given by the Savior is - Come out of her my people! Come out of Babylon (**Rev 14 vs 8-9**), which make the whole world drink of the wine of her fornication; Such as the idolatrous celebration of Easter, Christmas and Sun-worship [(worshipping on Sunday (the counterfeit Sabbath)].

***In the judgment, men will not be condemned because they conscientiously believed a lie, but because they did not believe the Truth, because they neglected the opportunity of learning what is Truth.***

**Patriarch and Prophets .pg 22 by ELLEN G. WHITE**

***The apostasy prevailing today is similar to that which in the prophet's (Elijah) day overspread Israel. In the exaltation of the human above the divine, in the praise of popular leaders, in the worship of mammon, and in the placing of the teachings of science above the truths of revelation, multitudes today are following after Baal. Doubt and unbelief are exercising their baleful influence over mind and heart, and many are substituting for the oracles of God the theories of men. It is publicly taught that we have reached a time when human reason should be exalted above the teachings of the Word. The law of God, the divine standard of righteousness, is declared to be of no effect. The enemy of all truth is working with deceptive power to cause men and women to place human institution where God should be, and to forget that which was ordained for the happiness and salvation of mankind.***

**Prophets and Kings .pg 170 by ELLEN G. WHITE**

*And for us, "upon whom the ends of the world are come..." History is being repeated. The world today has its Ahabs and its Jezebels. The present age is one of idolatry, as verily as was that in which Elijah lived. No outward shrine may be visible; there may be no image for the eye to rest upon; yet thousands are following after the gods of this world--after riches, fame, pleasure, and the pleasing fables that permit man to follow the inclinations of the unregenerate heart.*

*Multitude have a wrong conception of God and His attributes, and are as truly serving a false god as were the worshipers of Baal. Many even of those who claim to be Christians have allied themselves with influences that are unalterably opposed to God and His truth. Thus they are led to turn away from the divine and to exalt the human. {PK 177.1}*

*The prevailing spirit of our time is one of infidelity and apostasy--a spirit of avowed illumination because of a knowledge of truth, but in reality of the blindest presumption. Human theories are exalted and placed where God and His law should be. Satan tempts men and women to disobey, with the promise that in disobedience they will find liberty and freedom that will make them as gods. There is seen a spirit of opposition to the plain word of God, of idolatrous exaltation of human wisdom above divine revelation.*

*Men have allowed their minds to become so darkened and confused by conformity to worldly customs and influences that they seem to have lost all power to discriminate between light and darkness, truth and error. So far have they departed from the right way that they hold the opinions of a few philosophers, so-called, to be more trustworthy than the truths of the Bible. The entreaties and promises of God's word, its threatenings against disobedience and idolatry--these seem powerless to melt their hearts. A faith such as actuated Paul, Peter, and John they regard as old-fashioned, mystical, and unworthy of the intelligence of modern thinkers. {PK 178.1}*

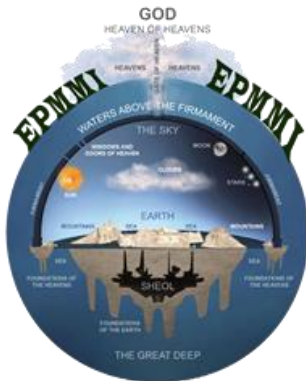

*In the beginning, God gave His law to mankind as a means of attaining happiness and eternal life. Satan's only hope of thwarting the purpose of God is to lead men and women to disobey this law, and his constant effort has been to misrepresent its teachings and belittle its importance. His master stroke has been an attempt to change the law itself, so as to lead men to violate its precepts while professing to obey it.*

**Prophets and Kings .pg 177 -178 by ELLEN G. WHITE**

This is the time for every true Bible believing son and daughter of the Creator to cry out against the abomination and desolation practiced under the guise of serving the true Creator.

You can do your best for the Creator and join force with the Savior, who came to die that you and I can have a claim to eternal life. So ensure that all of your friends and family see this, and learn for themselves what truth is and what error is.

Share, that they also will make a decision and a stand for Truth. Please share!

## WHO WE ARE

*EndTime Prophecy & Medical Ministry Intn'l (EPMMI) is a Non-profit, self-supporting International organization which takes the express words of the scriptures as thus says YAHUWAH. Our focus is to proclaim Endtime prophecies and present truths. Wholly following the Laws of YAHUWAH, the organization (EPMMI) aims to take the Three Angels message to all parts of the world. We also promote Health & Lifestyle reform, through Medical Missionary programs and outreach.*
